### Curriculum and Credit Framework for Undergraduate Programmes (CCFUP) as per NEP 2020

**Undergraduate Degree Programmes of either 3 or 4-year duration, with multiple entry and exit points and re-entry options, with appropriate certifications such as:**

- a UG Certificate after completing 1 year (2 Semesters) of study in the chosen fields of study, provided that a skill based vocational course (additional 4 credits) must be completed during the summer term by the students who will exit the programme after securing 40 credits.

These students are allowed to re-enter the degree programme within three years and complete the degree programme within the stipulated maximum period of seven (7) years.

- a UG Diploma after 2 years (4 Semesters) of study, provided that a skill based vocational course (additional 4 credits) must be completed during the summer term by the students who will exit the programme after securing 83 credits. These students are allowed to re-enter the degree programme within three years and complete the degree programme within the stipulated maximum period of seven (7) years.
- a Bachelor's Degree after a 3-year (6 Semesters) programme of study,
- a Bachelor's Degree (Honours) after a 4-year (8 Semesters) programme of study. If the students complete a rigorous research project/ dissertation in their major area(s) of study in the 4th year of a bachelor's degree then (Honours with Research).

### Major and Minor disciplines :

- **Major discipline** is the discipline or subject of main focus and the degree will be awarded in that discipline. Students should secure the prescribed number of credits (about 50% of total credits) through core courses in the major discipline.
- **Minor discipline** helps a student to gain a broader understanding beyond the major discipline. For example, if a student pursuing an Economics major obtains a minimum of 12 credits from a bunch of courses in Statistics, then the student will be awarded B.A. degree in Economics with a Minor in Statistics.

### 3-year UG Degree:

- Students who wish to undergo a 3-year UG programme will be awarded UG Degree in the Major discipline after successful completion of three years, securing 120 credits and satisfying the minimum credit requirement.

### 4-year UG Degree (Honours):

- A four-year UG Honours degree in the major discipline will be awarded to those who complete a four-year degree programme with 160 credits and have satisfied the credit requirements.

### 4-year UG Degree (Honours with Research):

- Students who secure 75% marks and above in the first six semesters and wish to undertake research at the undergraduate level can choose a research stream in the fourth year. They should do a research project or dissertation under the guidance of a faculty member of the University/College. The research project/dissertation will be in the major discipline. The students who secure 160 credits, including 12 credits from a research project/dissertation, are awarded UG Degree (Honours with Research).
